Product Description

150LM Luminous Flux Indoor LED Spotbulb Replacement Operating at AC85-265V Input Voltage

Product Description:

Indoor LED Spotlights are perfect for indoor spot lighting and are designed for indoor usage. This type of lighting is ideal for creating a focal point in a room, highlighting a feature or illuminating a space. With a light source of LED, and an input voltage of AC85-265V, this spotlight offers a wattage of 3W and a beam angle of 60°. The material used is PC which makes it durable and reliable. The Indoor LED Spotlight can be used in living rooms, bedrooms, dining rooms, and other indoor spaces. It is perfect for creating a warm and comfortable ambience in any indoor environment. It is a great way to add a hint of sophistication to any room while providing ample lighting.
