Product Description

3W Wattage Dimmable LED Light Bulbs with IP44 Rating 120° Beam Angle

Product Description:

Dimmable LED Light Bulbs - Variable LED Light, Diminishing LED Light

Our Dimmable LED Light Bulbs are the perfect choice for those who want to create a unique atmosphere in their home. With a beam angle of 120° and a size of 1.97*2.36 inch, our Dimmable LED Bulbs can easily fit into any standard light base such as GU10 MR16 and GU5.3. The bulbs are also designed to work with any AC85-265V voltage.

The Dimming LED Light bulbs have a unique feature - the brightness can be adjusted to create that perfect atmosphere. The Variable LED Light technology allows you to change the brightness of the bulb at a touch of a button, giving you the control to set the mood and atmosphere in your home.
